

What is Scrip? Through the Scrip program, Ashcreek families can purchase gift cards for everyday shopping, and for each gift card ordered, Ashcreek receives a fundraising kickback (anywhere from 2 – 19% back depending on the retailer). Gift cards include major retailers for gas, groceries, clothing stores, restaurants, home improvement, entertainment, etc. Other than some advanced planning, there is no cost to our families.

How to Purchase Scrip: Sign up and create an account at shopwithscrip.com. Ashcreek Playschool's enrollment code is **EFA3DBB7511L3**. Scrip can be ordered through shopwithscrip.com and orders of physical gift cards will be released the 1st and the 15th by 8 p.m. of each month. ScripNow (e-gift cards) and Reloads of physical cards are available immediately when you use PrestoPay. ScripNow purchases are available immediately for online shopping or can be viewed on a mobile device for use in stores.

The easiest and fastest way to purchase Scrip is to set up PrestoPay. This allows the Scrip program to make a debit charge to your bank account and release your Scrip purchase immediately. To use the convenient payment method you have sign up and wait up to 2 business days for your account to be verified.

If you do not use PrestoPay, Scrip may be paid for by personal check or money order and is paid for at the time of your order. Please put scrip on the memo line. Insufficient funds checks will be charged the amount the bank charges Ashcreek Playschool for returned checks.
